

## Lateral Flow Printer

For lateral flow cassette printing logo, name, lines, QR code, etc.

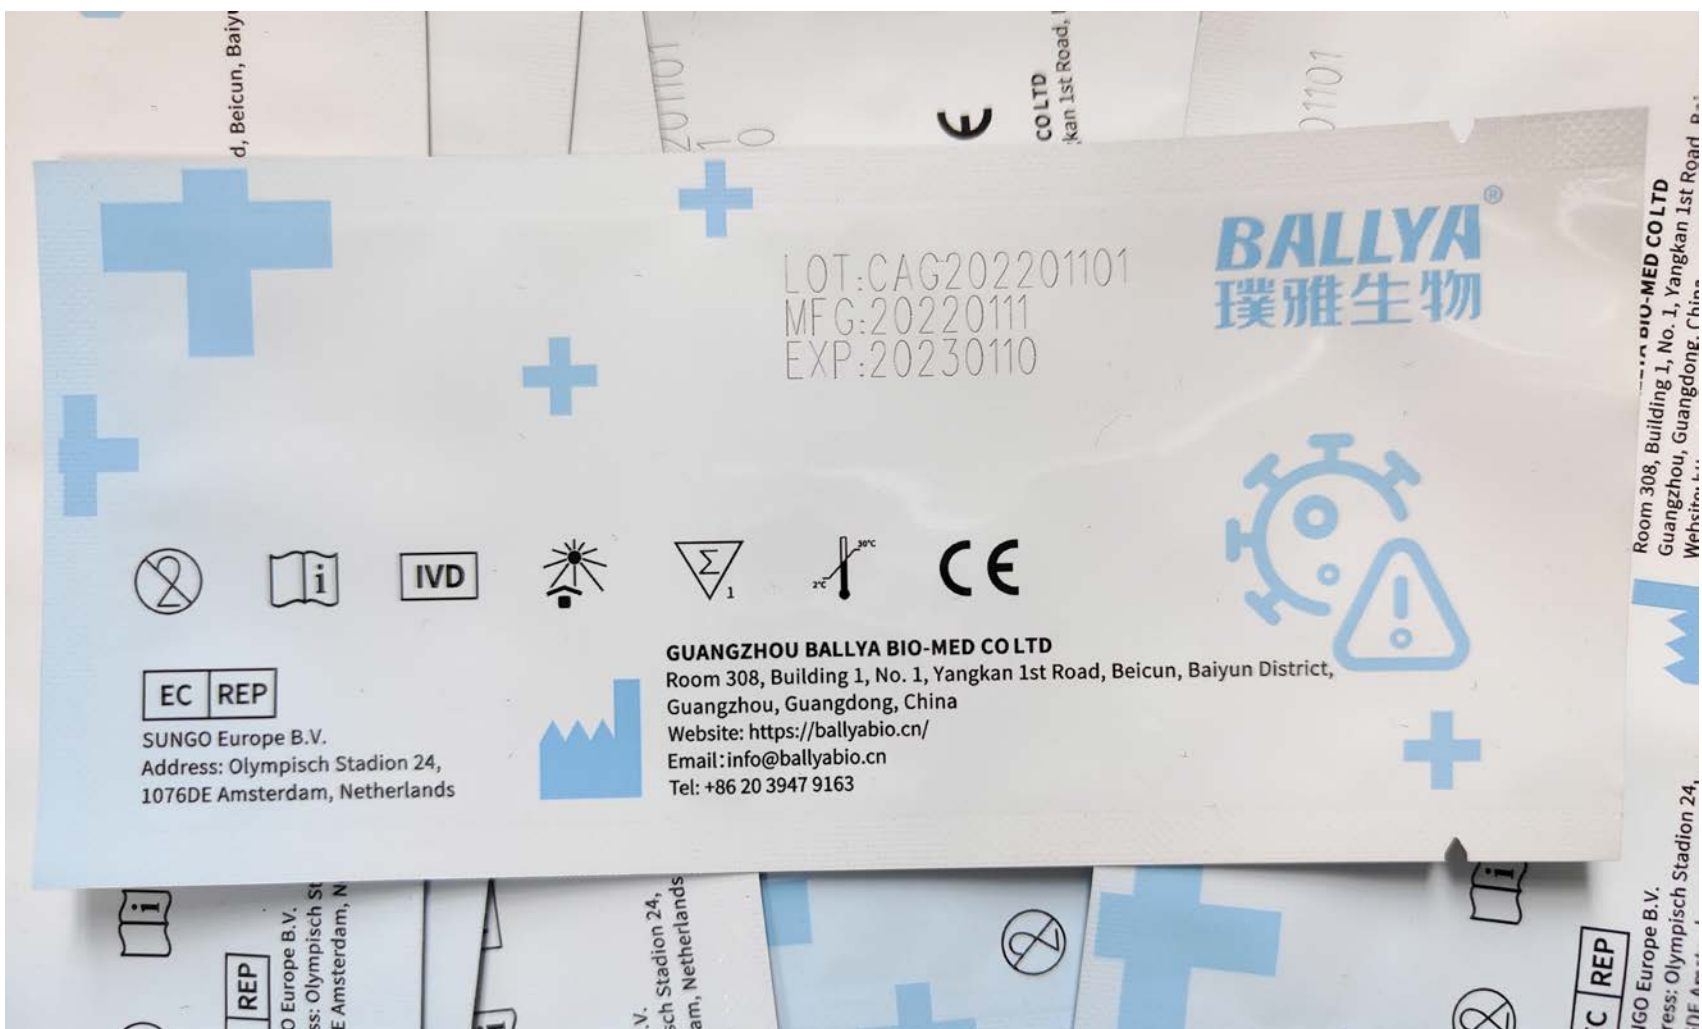

## Parameter

Model	LFD00026
Laser output power	3w
Laser wavelength	355nm
Minimum character	0.3mm
Minimum linewidth	0.03mm
Beam quality	>1.1 m2
PWM	10~200NS
Modulation frequency	10~100K HZ
Etche range	250*250mm
Frame dimension	1,500*760*1,450mm
Repeat precision	±0.001mm
Weight	110kg
Cooling method	water
Power supply	220V 50Hz
Power	<1kw
Control interface	USB
Laser type	cold ultraviolet light
Conveyor belt	1,500mm
Operation system	windows

## Lateral Flow Printer

For pouch bag/color box printing MFG/  
EXP/LOT no., etc.

## Parameter

Model	LFD00085
Laser output power	3w
Laser wavelength	355nm
Minimum character	0.3mm
Minimum linewidth	0.03mm
Beam quality	>1.1 m2
PWM	10~200NS
Modulation frequency	5~200K HZ
Etche range	180*180mm
Frame dimension	1,720*800*1,450mm
Repeat precision	±0.001mm
Weight	150kg
Cooling method	water
Power supply	220V 50Hz
Power	<2kw
Control interface	USB
Laser type	cold ultraviolet light
Variable frequency speed	5~50M/min
Product width	65~300mm
Conveyor belt	1,200 ~ 1,500mm
Operation system	Windows+PLC
